***BY***

***MINISTRY OF PARLIAMENTARY AFFAIRS***

*‘Naya Bharat - Karke Rahenge’*

*‘New India – We Resolve to Make’*

*Ministry of Parliamentary Affairs Coordinated the organization of Exhibition-cum-Seminar in association with willing Central Public Sector Units (CPSUs) at 39 places across the country on the theme ‘Naya Bharat – Karke Rahenge’ or ‘New India – We Resolve to Make’ to commemorate the 75 years of Quit India Movement and forthcoming 75 years of Independence in 2022.*

*The focus of the exhibitions was on India’s freedom movement from 1857 to 1947 showing the various activities initiated to attain the freedom from the British rule- “The First War of Independence, 1857”, “The Champaran Satyagrah”, “The Non-cooperation Movement”, “The Dandi Yatra” and “The Quit India Movement”. Besides this, the period of five years from 1942 to 1947 was also reflected to show how the movement of India’s struggle for freedom transformed the entire country into one to fight for the freedom from the British Rule and in the end, the vision of new India from 2017 to 2022 was showcased, when we will be celebrating 75 years of India’s Independence.*

*The five year period from 2017 to 2022 is to give a unique opportunity of ‘Sankalp se Sidhi’ towards a ‘New India’. This programme was in tune with the mass campaign started by the Hon’ble Prime Minister to take the six resolves to make the country- free of corruption; free of poverty; free of filth; free of communalism; free of terrorism and free of casteism.*

*So, this programme was successfully organized during the months of August, September and October at 39 places across the country with the purpose of spreading Prime Minister’s message amongst the people of the country to help in achieving the vision of new India.*
